

You can use this list as an introduction activity or a final review activity.

A Review of terms often used in FRQ's. — What do these concepts mean?

Social Factors	Ecological/Environmental Factors	<i>AND WHILE WE ARE AT IT.....</i>
Political Factors	Demographic Factors	Cultural Landscape
Cultural Factors	Socioeconomic Factors	Globalization
Economic Factors		

Possible activity:

Place pieces of poster paper around the room with the factors names on them. Have the students [individually or in small groups] list a factor that pertains to that factor/characteristic and then rotate.

Possible activity:

Using your globe have the students pass the globe around the room and have them identify the region that their finger [left ring, right pinky, right thumb, etc.] lands on and then ask them a _____* factor about that region.

[*economic, political, cultural, social, environmental, etc.]
