

'Where are you wearing?'

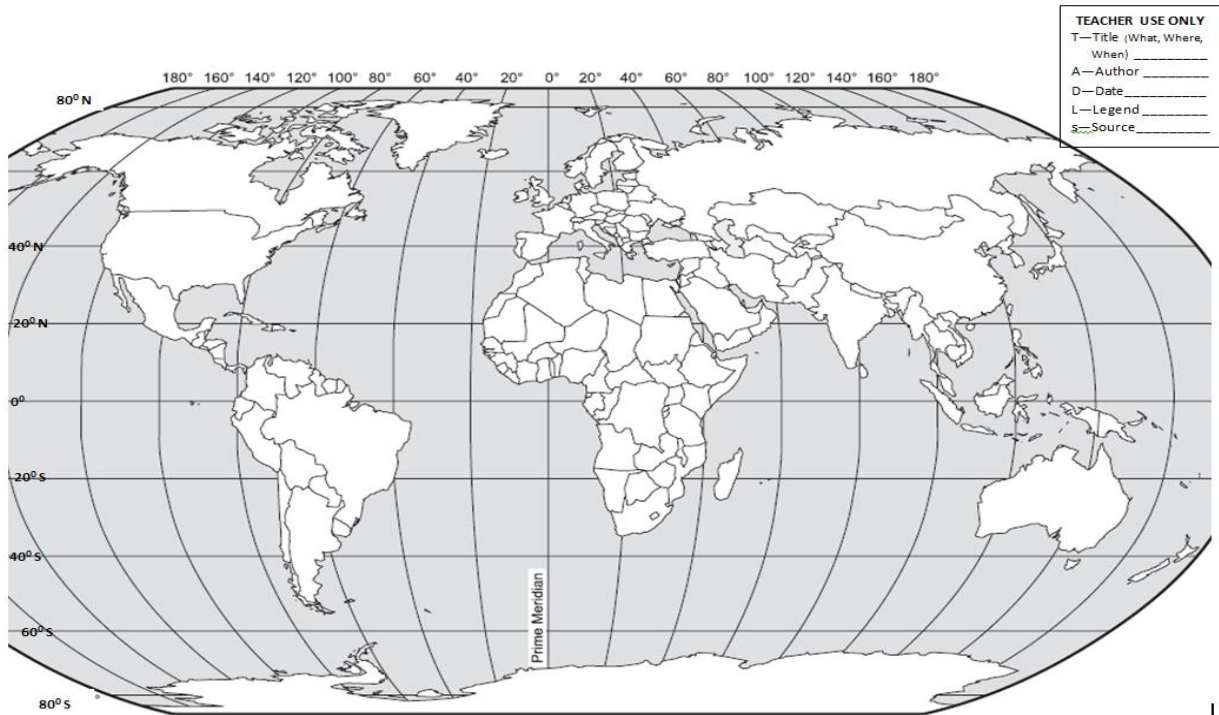

Name: _____

Period: _____ Date: _____

1. **Table Groups:** Check labels in an item of clothing, your shoes, a source of technology and one other thing. Write each item on your chart (yours and your partners') and list the country where the item was made.

NAMES	Clothing	Shoes	Technology	Other

2. **Map and label the locations of the items your team listed above.**

3. Where are most of the items made? Why are they made in those countries?
4. Where are the countries that are not represented in your table located [regions]? Why are they not represented?
5. What continents / regions dominate the chart?
6. What other patterns do you notice in the activity? What kinds of items are made in various regions of the world?
